This image shows a full page of white paper with horizontal dashed lines, typical of primary school writing paper. The lines are evenly spaced and run across the entire width of the page. There are no margins, text, or other markings present.

## The rules, short version

- You must set the stage.
- You must portray your character.
- You can draw a fate card (only once per session)
- You must finish your scene when you're ready.

- You can create or play a secondary character.
- You can describe events and the environment.
- You can use an element you own and, in necessary, veto.
- You can interpret resolution or fate cards.

- *Describe that in detail.*
- *Harder.*
- *Help.*
- *I'd like an interlude after that*
- *I need to clarify something*
- *That might not be quite so easy".*
- *Try a different way.*
